Who we are 

We are a law firm of clients who, by combining **legal quality** with dedication and honesty, accompany them in making their most important decisions.

We work with **dedication and efficiency** in the pursuit of legal excellence, in line with our values.

At Montero Aramburu & Gómez-Villares Atencia every decision we make and every service we offer is imbued with our values:

Honesty

It is the pillar on which the trust our clients place in us is built. We act with transparency and integrity in all situations, ensuring consistency between our words and actions.

Knowledge

We strive to keep up to date and be experts in our field, in order to offer the best possible advice to our clients.

Criterion

Our ability to discern and make informed decisions is a key factor. We offer our clients thoughtful and prudent judgement, always striving for excellence and integrity in every action.

Commitment

For us, commitment is not a formality, but the bond that binds us to our clients. We are by their side every step of the way.

Proximity

We strive to offer personal attention, genuine proximity and friendliness that characterise every interaction with our clients.

Trust

We work hard to gain and maintain our clients' trust in every case and situation, always meeting our objectives and commitments.

In our firm, human quality
is at the same level as legal quality.

We turn every professional relationship into a
personal commitment, anticipating and solving
our clients' legal challenges with solid, innovative,
effective and, above all, honest solutions.

Commercial Law

In the commercial field, our mission is to anticipate and solve our clients' legal challenges through innovative and effective legal solutions. We offer comprehensive advice to both listed and unlisted companies on key issues such as corporate law, business reorganisations to optimise business and resources, advice on disputes between shareholders, commercial procedural law, maritime law and competition law.

We handle all phases of a company's life, from its incorporation to its dissolution, providing a multidisciplinary service tailored to the client's needs. Our team ensures a strategic approach that optimises business management and conflict resolution, guaranteeing regulatory compliance and maximising business value.

Company law

- Advice to all types of listed and unlisted civil and commercial companies, in a transversal and global manner, from their incorporation to their winding-up.
- Advising the corporate secretary of the corporate bodies and providing this service of corporate secretary. Attendance and support at general meetings, boards of directors and shareholders' meetings. Monitoring compliance with corporate obligations and advising directors on the fulfilment of the obligations inherent to their position.
- Advice and drafting of articles of association and internal regulations. Advice on the structure and appointment of administrative and management bodies, director remuneration systems, dividend policy, system for the transfer of shares and holdings, rights of separation and exclusion of shareholders as well as any other issue affecting the company's internal organisational system.
- Preparation and execution of all types of amendments to the articles of association, including capital increases and reductions and international transfers of the registered office.
- Advice on corporate governance.

Company law

- Advice, drafting and negotiation of shareholders' agreements, family protocols, voting syndication agreements, and any contract between shareholders, between the shareholders and the company and the company and its administrators.
- Advising the company, its shareholders and members of the management body in possible situations of corporate conflict and conflict of interest situations.

Corporate restructuring

- Design and execution of business restructuring transactions, such as M&A, global transfers of assets and liabilities, both national and international.

Commercial procedural law

- Proceedings to challenge corporate resolutions adopted by corporate bodies.
- The right of withdrawal and exclusion of shareholders, proceedings before the Trade Registry and proceedings before the courts of law.
- Dissolution, liquidation and winding-up of litigious companies.
- Proceedings on the liability of administrators and liquidators.
- Voluntary jurisdiction proceedings.
- Advice on all types of claims arising from mergers and acquisitions of companies or transfer of production units (liability arising from the representations and guarantees contained in this type of contract or relating to the fulfilment of post-contractual obligations such as non-competition, purchase and sale options, etc.), from the extrajudicial and negotiation phase to the judicial phase.
- Advising on the interpretation, performance and termination of shareholders' agreements.
- Legal proceedings arising from disputes between the company and its shareholders and/or directors.

National and international commercial contracts

- Advice and preparation of all types of national and international commercial contracts.

Competition law

- Advice in the area of competition law, including defence before the courts in those cases in which the provisions of the applicable regulations are contravened.
- Legal protection of trade and business secrets.

Maritime law

- Transport and chartering, maritime insurance, privileges, damage, salvage, pollution, etc.
